STEP 2

1. Once the paint is dried, your little one can decorate the popsicle sticks according to their choice using stickers, glitter, feathers, buttons, etc.

2. Arrange the popsicle sticks to form a plane shape as given in the example picture and use glue to stick them together.

STEP 3

1. Once your plane is ready, set it aside.
2. Then take the blue construction card and give your little one some glue and cotton wool.
3. They can glue the cotton wool onto the card to represent clouds.
4. Once this is done, help your munchkin glue the popsicle stick plane onto the construction card and you're done and ready to fly the airplane!
